

Media Credential Requirements for 2025 World Series of Poker®

The following rules constitute the media credential requirements (the “Requirements”) for the 2025 World Series of Poker (“WSOP”) events by Horseshoe Las Vegas and Paris Las Vegas Hotel & Casino (“Horseshoe and Paris”) on behalf of Caesars Entertainment, Inc. Please read each item carefully.

Strict compliance at all times with each requirement is an express condition precedent to continued use of the media credential.

Granting of media credentials is at the sole discretion of WSOP. The following criteria will be utilized to help determine eligibility for media credentials:

- A. Whether the applicant is a full-time journalist.
- B. Work must be for a legitimate media outlet whose primary objective is to disseminate news information to the public.
- C. All work must use a byline.
- D. Applicant must provide news editor or producer contact information.
- E. Submission of representative past work, including both feature and news reporting, is a requirement if asked.

Any unauthorized use of credentials may subject the bearer to immediate ejection from Horseshoe and Paris and prosecution for criminal trespass. It may also subject the accredited organization to revocation of its credentials for current or future World Series of Poker (the WSOP”) events.

Media credentials are non-transferable and credentials must be worn around the neck at all times when on-site at Horseshoe and Paris.

Accredited media must ensure that all social media use in relation to the event, the players, Horseshoe and Paris, and WSOP is professional, in good taste and does not cause distress to, defame or diminish the good name, goodwill, reputation or image of Horseshoe and Paris, the WSOP, or any person or stakeholder. WSOP reserves the right to request the removal of social media posts or comments by accredited media and failure to do so will result in a breach of these Requirements and potential loss of credential and event access.

Credentialed media may provide content only to the outlet listed on their credential. It is a violation of use and is grounds for revocation if a credential-holder provides content to an outlet (website, magazine, blog, newspaper, radio station, television station, podcast, photo house, etc.) that is not listed on holder's credential.

Media credentials are required to gain access to the WSOP Media Center (Palace Meeting Room No.1 at Horseshoe) and tournament playing areas, and admittance will not be permitted without an approved and official event credential.
