- **Official WSOP Circuit** ring winners will qualify for the WSOP "Tournament of Champions".
- **Game Type:** No Limit Hold'em.
- **Starting Stack:** Players start with 25,000 in tournament chips. Pre-purchased stacks will be "live" on the table from the beginning of the tournament. Late registrants and alternates will be sold a full starting stack.
- **Blind Level Length:** Blinds increase every 25 minutes.
- **Players per table:** This is a 9 handed tournament. The final table begins when 10 players remain.
- **Seating Redraws:** There will be a full redraw when play reaches 3 tables, again at 2 tables and for the final table.
- **Late Registration:** Players may enter (or re-enter) the tournament until the beginning of level 9.
- **Rebuy/Re-entry:** This is a re-entry event with unlimited re-entries permitted during the late registration period. Re-entry is permitted for any player that loses all their chips or chooses to forfeit their stack.
- **Special Rules:** Each player will start with \$100 in non-value bounty chip(s). When a player eliminates another, 50% of the bounty amount (rounded up to the nearest \$25) will be added to their non-value bounty, while the rest will be awarded as a cash prize to the winner. In the case of a split pot, the player closest to the button will receive the larger rounded amount (rounded to the nearest \$25). A player's non-value bounty chip(s) also serves as an all-in chip, meaning that if one is included in any bet or raise the player will be irrevocably all-in. The prize pool guarantee includes both the traditional prize pool plus the bounty prize pool. At the end of the tournament, the winning player will be rewarded all remaining bounties. Should there be any discrepancy in terms of the value of the remaining bounties, the floor manager's remaining bounty float amounts will be considered final without recourse. The finalists will both receive an equal share of the prize pool, and the winner will be rewarded with the bounties.
- **Registration:** Onsite registration is available 24 hours a day, every day. Registrations are refundable. All refunds must be completed at least 2 hours prior to the scheduled starting time of the event in question. After this deadline, refunds will no longer be permitted.
- **Tournament director decisions** are final and players have no recourse after the beginning of the next hand.
- **Fees:** The total buy-in cost of this tournament is \$400. \$230 is allocated to the prize pool, \$100 is allocated as non-value Bounty chips and \$70 as administration fees.
- **Capacity:** The maximum capacity is 90 players plus alternates.
- **Membership:** Players must be Playground members to play. Membership is free. Must be 18 years of age or older.
- **Playground** reserves the right to modify tournaments at its sole discretion and without prior notice.
